

National Seminar on
**CONTEMPORARY RESEARCH IN THEORETICAL
AND APPLICABLE MATHEMATICS**

September 8 - 9, 2017

DEPARTMENT OF MATHEMATICS
THE BHAWANIPUR EDUCATION SOCIETY COLLEGE, KOLKATA
JOINTLY WITH
CALCUTTA MATHEMATICAL SOCIETY, KOLKATA

The Bhawanipur Educational Society College was founded in 1966 through the Bhawanipur Gujarati Education Society, which was established with "Education for Excellence" as its motto. The college offers a number of Under-graduate Honours programs in four streams—Science, Arts, Commerce and Management and a Post-graduate degree course in Commerce, all under the University of Calcutta. Though skill-development is one of the primary objectives of any institution of higher learning, the college seeks to contribute to nation-building in its own way by establishing itself as a centre of excellence, by ensuring that quality is the sole hallmark characterizing it, as far as student-profile, faculty-quality, infrastructure, the teaching-learning process, student-support, extension activities and administration are concerned.

Tentative List of Speakers

- **Prof. S. H. Kulkarni**
