Dr. Mili Samaddar

Associate Professor

Department Of Bengali

Vision Statement:

- In addition to giving class lectures and ensuring the overall progress of the students in academics, I take pleasure in trying to inculcate discipline, sense of responsibility, self-confidence and liberal thinking among the students.
- Every year I take the students for Nature's Camp where they get the opportunity to understand the significance of the Mother Nature and its impact on the sustenance and survival of the human lives.
- During their stay in Nature's Camp I encourage the students for trekking, hiking and other related activities. I love to mentor them in understanding the utility of these life skills.
