EDUCATION SOCIETY COLLEGE

Sukti Maitra

Associate Professor
Department of Physics

Administrative Assignment

Mentorship of Physics Hons students of The Bhawanipur Education Society College.

Subjects Taught

Physics

Participation In Seminars / Webinars / Workshops

Date of the Webinar/Seminar/Workshop	Arranged by	Topic
8.11.2017	Dinabandhu Andrews College	Workshop on Physics learning methodology
24.2.2018	I.Q.A.C BES College.	Seminar on "Academic Administration"
7.9.19	Physics Department BES College.	Seminar on "Geo-magnetism".
5.6.2020	BES College	Seminar on "Environment and climate concerns"
24.6.2020	Surendranath College	International Webinar on "Prevention & Control of Vector borne diseases Amidst Covid-19."
15.6.2020	Mathematics Department, BESC	Webinar on "History of Science, Science in History".

Sukti Maitra

Associate Professor

Department of Physics

27.6.2020	Department of Electronics BES college	Webinar on "One-Dimensional Material for Optoelectronics device".
25.6.2020, 26.6.2020	Chemistry Department BES College.	Webinar on "Pedagogical and Psychosocial Challenges to the Students amidst Covid - 19 Catastrophe".
8.7.2020	Surendranath College	Webinar on "A New View of the Solar System"
22/6/20	Dept of Physics, BES College	Webinar on "Saha and His Journey to the Stars".
18.7.2020	Chemistry Department, BESC	National Webinar on "Exploring New Facets of Organic Synthesis :From Metal to Metal – free crystalalysis".
17/7/2020	Department of Physics, BES college	Webinar on "The enigma of gravity: from apple to black hole".
21.7.2020	Scottish Charch College.	Webinar on "Electron Spectroscopy : An Undergraduate view".
29.7.2020	Department of Electronics BES college	Webinar on "Hazards of Electromagnetic Radiation".
1.8.2020	Chemistry Department, BESC	Webinar on "Scientist Under Scanner: When they are stepping against the ethics of science".
8.8.202 & 9.8.2020	New Alipore College	International Webinar on "A Glimpse into Astrophysics &Cosmology".

Vision Statement

- We envisage to empower our students to learn and achieve, to experience high quality teaching practice and the best conditions for learning which equip them with the knowledge, skills and dispositions for lifelong learning and to shape the world around them.
- We shall also endeavor to provide a safe and civil environment fostering cultural consciousness; challenging each of our students to develop socially, emotionally and intellectually to their highest potential prepared for college and career.
- The current challenging situations also have not deterred us from our mission, and we strive to provide them best education we can by adapting ourselves to the latest technologies.
